

Clinical Physician Update

December 2023

Patient Care

Advanced heart failure complexities

Daniel S. Yip, M.D., a Mayo Clinic transplant cardiologist, responds to questions about pinpointing heart failure status and when to consider referral for advanced heart failure care.

Patients who meet eligibility criteria for partial knee replacement satisfied with repair

Patients with single-compartment knee damage may be candidates for partial knee replacement. Satisfaction with this replacement is high because it feels more natural than total knee replacement.
